### **Studio Location:**

Dance Factor by Jessica Walker operates classes from a purposefully built dance studio in Berkeley. Our address is:

11 Warehouse Place, Berkeley, NSW 2506

Our studio features 3 purpose-built dance studios with sprung flooring. All our studios are equipped with mirrors and all the appropriate equipment required for classes. Our studios are air conditioned for the comfort of our dancers. A comfortable waiting room is provided at the entrance of the studio facilities. We have CCTV cameras playing on the TV screen in the waiting room so that parents and carers can watch the class as it occurs. A back room with change rooms are available for the dancers. The kitchen facilities are also available for everyone's use.

A large carpark is available for your use. Please ensure you are keeping this a safe zone for dropping off and picking up dancers.

## FAQ'S

### **Can I watch my child's classes?**

We ask our parents, guardians and siblings to wait in our comfortable waiting room, as classes are not open for viewing on a weekly basis. Our experience has shown that our dance classes are more efficient when there are no viewers sitting in on the class. However, we do have CCTV cameras live streaming onto the TV screen in the waiting room so that parents and carers can watch the class without distracting the dancers. Our Ready Set Dance, Ready Set Ballet & Ready Set Acro classes will hold one viewing week at the end of most terms.

### **Can my little one try classes first before enrolling?**

Yes, they can! We offer free trials for all of our classes. We understand how difficult it can be to know whether your child will like something without trying it first. Simply '[click here](#)' to fill out the trial form via our website, submit & that's it! You will then shortly receive a confirmation email including all the details you need for your child's trial day. What do they wear to their trial day? Your little one is free to wear whatever they feel comfortable in and is practical for a movement based lesson. Bare feet or joggers are accepted.

### **What is viewing week?**

Viewing week is a chance for parents and carers to sit in on your child's dance class. During this week you are welcome to invite friends and family to watch your child's classes with you to see what they have been learning in class each week. It's a great opportunity to see their growth in dancing.

### **If I miss a class can it be made up on another day of the week?**

Yes! If you miss a lesson, you are welcome to come along to another class so that you don't miss out for that week! Please contact our admin staff to organise this. We do recommend that you avoid alternating days too much as pre-schoolers need the comfort of knowing that the same teacher and their friends will be there when they go to dancing.

### **Is it compulsory to participate in the concert?**

No, but it is so much fun! Each year we hold a Ready Set Dance concert in November for all students to participate in - the concert is not compulsory.

### **How do I pay my fees?**

Your dance lessons will be automatically direct debited from your nominated bank account or credit card fortnightly. This will occur on Monday's on the odd weeks of our dance terms. Alternatively, you are welcome to pay your dance fees quarterly over the year.

### **Do I need to purchase uniform and shoes for Ready Set Dance?**

Once your child is enrolled in our classes, the official Ready Set Dance uniforms are a requirement and can be purchased at the studio all year around. Students will also need the appropriate shoes for the classes they are enrolled in. Please talk to our friendly staff at the reception desk about the correct shoes required for your child's class.

Bare feet or sneakers are acceptable for the first few lessons your child participates in.
